Sure, or we can touch base early next week if that's better for you.

Hi Karissa – sorry I haven't had a chance to call back but we're working on a tight deadline today. Can I give you a call later this afternoon?

Hi Alyse,

Could you give me a call regarding your visit when you have a chance? I would like to help facilitate a meeting for you, but I need some more info before I can make that happen.

Thanks,
Karissa

Thanks Karissa – Dave I don't believe will be traveling with us but we'd certainly like to meet with Ken and Cyndy if they're available. It will be myself and Lynn Juett from our Superfund Program. Our RA and Superfund Division Director will also be in DC that week for meetings and I believe they are scheduling meetings with OSWER as well.

Hi Alyse,

Unfortunately, I am going to be out of town on June 9th, but Gary is available to meet. Is Dave Cozad going to be with you; if so, would you like to include Ken and/or Cyndy in the meeting?

Hi Gary/Karissa –

A few of us from the West Lake team will be in DC the morning of June 9th and I was wondering if you might be available for a short meeting? Mainly want to catch up in person about the path forward for the Site if you have some time.

Thanks, Alyse
